FAMILY PLANNING SERVICES OFFERED IN SHIAWASSEE COUNTY

Corunna – The Shiawassee County Health Department is partnering with Mid-Michigan District Health Department to offer family planning services to area residents, starting Thursday, January 11, 2018.

Health services will be provided by a Nurse Practitioner from the Mid-Michigan District Health Department at Shiawassee County Health Department, located at 110 E. Mack Street in Corunna.

Family Planning services include abstinence education, birth control, pregnancy testing, pap smears, pelvic exams, breast exams, blood testing, yearly physicals, confidential and anonymous sexually transmitted infection testing/treatment. A variety of insurance plans are accepted. For those without insurance, the total charge is based on income and ability to pay. No one will be denied services.

Please call 989-224-2195 for more information or to make an appointment.
